Dear Patti Johnson:

I own the property at 415 n 2<sup>nd</sup> in pasco WA. I am writing to inform you of my plans to remove the gas in most units except for the ranges in some. Individual gas meters will be installed by Cascade Gas. This is an expense I cannot afford at this time . However, can be completed by October 31 2011.

Thank You Rex Braley 503-548-3227
