Subject: Country Meadows East #2

Dear Mr. Danner:

You will find the updated pages for the Tariff filing for the Country Meadows East #2 filing with this submission. These pages are similar to what was submitted this past December, however we have updated the page numbers (which were incorrect) and made other minor corrections. Most of the corrections were the result of the service meters being 5/8" service meters, not 3/4". Also, the overdraft fee has been adjusted to match the fee charged to the company.

Thank you for your time and attention to this, please feel free to contact me with any questions.

Sincerely

Jester Purtteman, E.I.T.
