Subject: RE: PG-111454 | Notice of Construction Start - Pressure Authorization Order for Little Rock Gate Station

Dear Mr. Lykken,

On September 15, 2011 the WUTC issued an order granting PSE authorization to operate the inlet side of the Little Rock gate station at a pressure in excess of 250 psig. Pursuant to this order, PSE is hereby notifying the Commission of commencement of construction.

PSE's target date for construction start is March 19, 2012. PSE's Project Manager is Pete Cossette. He may be reached at 206-696-4532

Best Regards,

Toni Imad
