MEMORANDUM

- 1 **Penalty.** On July 31, 2012, the Washington Utilities and Transportation Commission (Commission) assessed a penalty of \$2,100 against Legacy Long Distance International, Inc. (Legacy), for violations of Washington Administrative Code (WAC) 480-120-382. This rule requires competitively classified telecommunications companies to file annual reports with the Commission by May 1 each year.

- 2 On February 29, 2012, the Commission mailed Annual Report forms and Regulatory Fee packets to all regulated competitively classified telecommunications companies as required by WAC 480-120-382. On May 14, 2012, the Commission mailed a letter to companies that had not yet filed an annual report notifying them that they had incurred, as of that date, a penalty of \$800. The letter explained that companies who filed their annual reports no later than May 25, 2012, would receive mitigated penalties of \$25 per day, with an additional \$25 per day assessed for each instance in the previous five years that the company received a penalty for filing a late report.

- 3 Legacy, however, did not file its 2011 annual report until August 15, 2012. This is 106 days late, making the company liable for a penalty of up to \$10,600 as provided in RCW 80.04.405. The Commission, considering the nature of the offense and other factors, exercised its discretion to assess less than the maximum penalty. The Commission assessed a significant, but not unduly punitive, penalty of \$2,100.

4 **Mitigation Request.** On August 3, 2012, the company filed a form provided by the Commission requesting mitigation of the penalty (Mitigation Request). In its Mitigation Request, Legacy does not dispute that the violation occurred. The company states that this is a first time violation and that unspecified forms were “lost or missing.”

5 **Commission Staff Support for Partial Mitigation.** Commission Staff filed a Response to the Mitigation Request on August 10, 2012. Staff supports mitigating the assessed penalty from \$2,100 to \$1,050 because this is Legacy’s first offense.

6 **Commission Determination.** The Commission determines that it should grant the Mitigation Request, consistent with Staff’s recommendation, by suspending one-half of the penalty amount subject to the condition that Legacy files its 2012 annual report by May 1, 2013. If the company fails to timely file its 2012 annual report, the suspended penalty will become due without further action by the Commission. An additional penalty may be assessed for any late filing of the 2012 annual report.

7 This decision is based on Legacy’s acknowledgement that it violated the law and the fact that this is a first violation by the company. The Commission’s primary goal in reaching its determination is to promote future compliance.

ORDER

THE COMMISSION ORDERS THAT:

8 (1) The penalty of \$2,100 assessed against Legacy Long Distance International, Inc., on July 31, 2012, is suspended in the amount of \$1,050 subject to the condition that Legacy files its 2012 annual report by May 1, 2013. If the company fails to timely file its 2012 annual report, the suspended penalty will become due without further action by the Commission.

9 (2) One-half of the penalty of \$2,100 assessed against Legacy Long Distance International, Inc., on July 31, 2012, (*i.e.*, \$1,050) is due and payable to the Commission within 15 days following the date of this Order.

- 10 (3) The Commission delegates to its Secretary authority to enter this Order on behalf of the Commissioners under WAC 480-07-904(1)(h).

DATED at Olympia, Washington, and effective August 17, 2012.
