RE: Docket TV-122004 Request for Continuance

Dear Mr. King

Olympic Moving & Storage, Inc. would like to file a request for continuance of Pre-Hearing Conference scheduled for Monday, August 25th, 2014. (Docket TV-122004, WUTC “v” Olympic Moving & Storage)

We would like to have until the end of next week, August 29th, to secure council. Once council is secured, they will then file notice with the court and request a new Pre-Hearing date that works into everyone’s schedule. Most likely a couple weeks out as they will need time to prepare for the conference.

Thanks for your consideration,

Respectfully,

Kris O’Bannon

President,
Olympic Moving & Storage, Inc.
