Dear Mr. King:

Puget Sound Energy, Inc. (“PSE” or the “Company”) hereby submits in connection with Docket No. UE-132260, the following substitute tariff sheets to replace the tariff sheet accompanying the Company’s December 12, 2013, substitute filing which was submitted under the Company’s Advice No. 2013-39 and this filing includes an additional tariff sheet, a tariff attachment and a revised cover letter. This substitute filing is pursuant to RCW 80.28.060 and Chapter 480-80 WAC and includes the following portion of the Company’s WN U-60, Tariff G for electric service.

WN U-60, Tariff G, Electric Service:

11 th Revision	Sheet No. 194	Residential and Farm Energy Exchange Benefit
3rd Revision	Sheet No. 194-A	Residential and Farm Energy Exchange Benefit (Continued)
Attachment “A”	To Schedule 194	Residential and Farm Energy Exchange Benefit

The purpose of this filing is to make changes to the tariff to address requests made by Commission Staff to include additional information in the schedule. Those requested changes resulted in the need to file an additional tariff sheet, a tariff attachment and a revised cover letter.

This substitution is provided for in WAC 480-80-111(a) as the changes are being made solely to address commission concerns with the pending tariff sheet. The tariff sheets and tariff attachment described herein reflect the original issue date of December 11, 2013 and the effective date of January 31, 2014.
