RE: *Washington Utilities and Transportation Commission v. Comtech 21.*

Commission Staff's Response to Request for Payment Arrangements UT-140876

Dear Mr. King:

August 14, 2014, Comtech 21 contacted the commission in response to the Staff Response to Application for Mitigation of Penalties in the above reference docket. Comtech 21 requested payment arrangements of \$250 every month, until the company pays its \$1,000 penalty assessment in full. Commission staff supports Comtech 21's request for monthly payments of \$250 as follows:

1. The first \$250 payment is due no later than September 2, 2014.
2. The second \$250 payment is due no later than October 1, 2014.
3. The third \$250 payment is due no later than November 1, 2014.
4. The fourth and final \$250 payment is due no later than December 1, 2014.

If Comtech 21 misses one payment, the entire balance will be due and payable immediately. If the entire penalty is not paid in full by December 1, 2014, the commission may refer the company to the Office of the Attorney General and may be subject to interest and collection fees.

Sincerely,

Sondra Walsh, Director
Administrative Services
