NOTICE WITHDRAWING PENALTY

RE: Pack's Delivery, LLC, Application for Mitigation of Penalty Assessment Docket TV-140980

TO ALL PARTIES:

On June 6, 2014, the Washington Utilities and Transportation Commission (Commission) issued and served a Penalty Assessment against Pack's Delivery, LLC (Pack's Delivery or Company) in the amount of \$1,000, alleging violations of WAC 480-15-480, which requires household goods carriers to file annual reports and pay regulatory fees by May 1 each year.

On June 9, 2014, Pack's Delivery filed a response to the penalty assessment requesting mitigation, but failed to include any information for an administrative law judge to consider. That same day, the Company filed its annual report and paid its regulatory and late payment fees.

On June 20, 2014, the Company's provisional Household Goods Carrier permit was voluntarily cancelled and its Household Goods Carrier permit application dismissed in Docket TV-141302.

On June 24, 2014, Commission Staff filed a response supporting the Company's request for mitigation and recommending the Commission withdraw the penalty.

The Commission's primary objective in any enforcement action is to ensure compliance with a company's legal obligations; penalties both punish noncompliance and provide an incentive to comply in the future. The assessed penalty would further neither of these goals if the Company is no longer seeking to provide household goods moves in

Washington. The Commission therefore withdraws the penalty assessed against Pack's Delivery.

THE COMMISSION GIVES NOTICE that the penalty of \$1,000 assessed against Pack's Delivery, LLC, is withdrawn and Docket TV-140980 is closed.
