**BACKGROUND**

- 1 Washington law requires household goods carriers to file annual reports and pay regulatory fees by May 1 of each year. WAC 480-15-480. On February 28, 2014, the Washington Utilities and Transportation Commission (Commission) mailed annual report and regulatory fee packets to all household goods carriers. The forms included a reminder that companies must file their annual reports and pay their regulatory fees by May 1, 2014, or face penalties of \$100 for each violation of Commission rules. In the case of continuing violations, each day’s continuance is a separate violation. RCW 80.04.405.
- 2 Puget Sound Moving did not file its annual report on May 1, 2014, and had not made that filing by May 15. On June 4, the Commission assessed a penalty of \$1,000 against Puget Sound Moving, calculated as \$100 per business day from May 1 to May 15.
- 3 On May 29, 2014, Puget Sound Moving filed its annual report and paid both its regulatory and late payment fees.
- 4 On June 12, 2014, Puget Sound Moving responded to the Commission’s penalty assessment and requested mitigation based on the written information provided. The Company explained that it was unable to obtain its accounting information until the end of May. The Company recognizes that it should have requested an extension, and will do so, if necessary, going forward.

5 On June 26, 2014, Commission Staff (Staff) filed a response recommending a penalty reduction to \$200 because the Company has no prior violations of WAC 480-15-480.

### **DISCUSSION**

6 WAC 480-15-480 requires permitted household goods carriers to file annual reports and pay regulatory fees by May 1 of each year. Companies are responsible for complying with their legal obligations, and the Company should have requested an extension if it was unable to timely file its report.

7 The Commission nevertheless agrees with Staff's recommendation. The Commission may consider a number of factors when entertaining a request for mitigation, including a company's history of compliance, whether the violation was promptly corrected, and the likelihood the violation will recur.<sup>1</sup> This is Puget Sound Moving's first violation of WAC 480-15-480, and the Company filed its annual report and paid its regulatory and late fees prior to receiving a penalty. In addition, the Company has been regulated since 2010; given its history of compliance, the violation is not likely to recur. In light of these factors, the Commission will exercise its discretion to reduce the penalty to \$200.

### **ORDER**

#### **THE COMMISSION ORDERS:**

- 8 (1) The request of Puget Sound Moving, Inc. for mitigation of the \$1,000 penalty is GRANTED in part, and the penalty is reduced to \$200.
- 9 (2) The penalty is due and payable no later than July 28, 2014.
