**BACKGROUND**

- 1 Washington law requires charter and excursion carriers to file annual reports by May 1 of each year. WAC 480-30-071. On November 23, 2013, the Washington Utilities and Transportation Commission (Commission) mailed a letter to all charter and excursion carriers explaining that it recently adopted a rule changing the annual report due date for those carriers from December 31 to May 1. Regulatory fees remain due on December 31. On February 28, 2014, the Commission mailed annual report forms to all charter and excursion carriers. The forms included a reminder that companies must file their annual reports by May 1, 2014, or face penalties of \$100 for each violation of Commission rules. In the case of continuing violations, each day’s continuance is a separate violation. RCW 80.04.405.
  
- 2 NSO Entertainment timely paid its regulatory fee, but did not file its annual report on May 1, 2014, and had not made that filing by May 15. On May 27, the Commission assessed a penalty of \$1,000 against NSO Entertainment, calculated as \$100 per business day from May 1 to May 15.
  
- 3 On June 5, 2014, NSO Entertainment filed its annual report. On June 6, the Company responded to the Commission’s penalty assessment admitting the violations and requesting mitigation of the penalty based on the written information provided. The Company explained it was unaware that schedules 1 and 2 were now due on separate dates, and noted that it timely paid its regulatory fee.
  
- 4 On June 16, 2014, Commission Staff (Staff) filed a response recommending a penalty reduction to \$200 because the Company timely paid its regulatory fee and has no

prior violations of WAC 480-30-071. Staff also noted that the Commission recently adopted new rules requiring annual reports for charters and excursions to be filed by May 1, while the regulatory fees remain due on December 31.

### **DISCUSSION**

- 5 WAC 480-30-071 requires charter and excursion carriers to file annual reports by May 1 of each year. Companies are responsible for being aware of applicable Commission rules and complying with their legal obligations. Accordingly, the Company should have been aware of the rule change and the need to file an annual report by May 1, particularly when the Commission sent forms and a reminder on February 28.
- 6 The Commission nevertheless agrees with Staff's recommendation. The Commission may consider a number of factors when entertaining a request for mitigation, including a company's history of compliance, whether the violation was promptly corrected, and the likelihood the violation will recur.<sup>1</sup> This is NSO Entertainment's first violation of WAC 480-30-071. The Company timely paid its regulatory fee, and has since filed its annual report. Additionally, the Company has been active since 2009, and the Commission recently adopted rules that changed the filing procedure for 2014; given the Company's compliance prior to the rule change, the violation is not likely to recur. In light of these factors, the Commission will exercise its discretion to reduce the penalty to \$200.
