Re: Precision Underground, D-141416 Penalty Assessment

Dear Mr. King:

On Nov. 5, 2014, Precision Underground (Precision) was issued a \$1,000 penalty for a violation of RCW 19.122.030. Precision had the option to have the penalty suspended on the condition that Precision commit no further violations of RCW 19.122.030 within the next 12 months.

On Nov. 11, 2014, the commission received notification from Precision that the company admitted the violation occurred and accepted the commission's offer to suspend the penalty on the stated condition. On Nov. 5, 2015, commission staff confirmed that, according to commission records, Precision has committed no further violations of RCW 19.122.030 within the past 12 months. The condition of the penalty suspension has been met.

Staff recommends the \$1,000 suspended penalty issued against Precision be waived and the docket closed.

Sincerely,

Sharon Wallace, Assistant Director
Consumer Protection and Communications
