**Re: Docket No. UT-141488  
Carlton Complex Wildfire  
Status Report**

Dear Mr. King:

CenturyLink is pleased to advise the Commission that as of August 8, 2014, the force majeure conditions due to the wildfires in Eastern Washington have abated sufficiently to allow the company to resume offering installation and repair appointments according to normal intervals. Consequently, CenturyLink no longer has force majeure conditions in any wire center affected by the wildfires.

Sincerely,

Lisa A. Anderl
