RE: Rabanco LTD Tariff Revision (General Rate Case)
d/b/a Seatac Disposal /Republic Services

Dear Mr. King,

Enclosed please find proposed tariff No. 27 of Rabanco LTD, Certificate G-12 (DBA Seatac Disposal), the purpose of which is a general rate increase request. It has been about two years since our last general increase on these rates and in that time we have experienced inflationary pressures on key operating costs and made investments in strategic operating assets. The proposed rates will offset increases in labor, fuel, maintenance, healthcare, pension and other general operating expenses. If approved by the Commission, the overall revenue requirement increase reflected in this filing would approximate 16.3% or \$1,501,100.

The proposed rates impact services provided as follows:

	<u>% Revenue Change</u>	<u>\$ Revenue Change</u>	<u>Estimated Rate Impacts</u>
Garbage:	+12.7%	\$ 218,184	10.% to 13%
Recycling:	+22.7%	\$ 108,272	15% to 23%
Yard waste:	+10.0%	\$ 56,152	7% to 10%
Multi-Family Recycling:	+64%	\$ 12,361	10% to 31%

As required by Commission rules, a copy of this transmittal letter will be mailed to the King County Chair impacted by this filing. Customer notification letters will be mailed on or before July 1st, 2015. We will file a final copy of the customer notices with your office prior to or at the same time as the mailing.

Sincerely,
