Re: Docket Nos. UE-152076 and UG-152077 - Avista Utilities Biennial Conservation Plan (BCP) in accordance with WAC 480-109-120

Dear Mr. King,

In compliance with RCW 19.285 and WAC 480-109-120, Avista Corporation, submitted its "2016-2017 Biennial Conservation Plan" and supporting documentation on Friday, October 30, 2015, to the Records Center. With its original filing the Company inadvertently did not provide some of the files in their native format (Word, Excel, etc...). Included in this filing are all available native files that were not included with the original filing. Please note that the first four pages of Appendix E are available only in pdf format.

If you have any questions regarding this information, please contact Linda Gervais at 509-495-4975 or myself at 509-495-8620.

Sincerely,

A handwritten signature in black ink, reading "Patrick Ehrbar". The signature is written in a cursive style with a large, looped initial 'P'.
