NOTICE WITHDRAWING PENALTY

RE: Eastwood Park Water Co., Inc., Commission Staff's Request to Rescind Penalty Assessment
Docket UW-160529

TO ALL PARTIES:

On June 13, 2016, the Washington Utilities and Transportation Commission (Commission) issued and served a Penalty Assessment against Eastwood Park Water Co., Inc. (Eastwood or Company) in the amount of \$1,000, alleging violations of WAC 480-110-505, which requires water companies to file annual reports and pay regulatory fees by May 1 each year.

On June 20, 2016, Eastwood filed an application for mitigation, admitting the violations but requesting mitigation of the penalty based on the written information provided. The Company explained that it was sold to Rainier View Water Company, Inc. (Rainier View) in April 2015, and that it transferred its records to Rainier View when the sale was complete.

On June 22, 2016, Commission staff (Staff) filed with the Commission a Request to Rescind the Penalty Assessment. Staff explained that Rainier View timely filed its annual report, which included all of Eastwood's reportable information for 2015. Accordingly, Staff recommends the Commission withdraw the penalty.

Because the Penalty Assessment was issued in error, the Commission withdraws the penalty assessed against Eastwood.

THE COMMISSION GIVES NOTICE that the penalty of \$1,000 assessed against Eastwood Park Water Co., Inc. is withdrawn and Docket UW-160529 is closed.
