

**BEFORE THE WASHINGTON
UTILITIES AND TRANSPORTATION COMMISSION**

In the Matter of a Penalty Assessment Against	DOCKET TE-160690
CALEB N. BOWE	ORDER 01
in the amount of \$1,000	ORDER GRANTING MITIGATION TO \$250

BACKGROUND

- 1 On February 29, 2016, the Washington Utilities and Transportation Commission (Commission) mailed annual report and regulatory fee forms to all charter and excursion carriers. The forms included a reminder that companies must file their annual reports and pay their regulatory fees by Monday, May 2, 2016, or face penalties of \$100 for each violation of Commission rules. In the case of continuing violations, each day's continuance is a separate violation. RCW 80.04.405.
- 2 Caleb N. Bowe (Company) did not file its annual report on May 2, 2016, and had not made that filing by May 16. On June 20, the Commission assessed a penalty of \$1,000 against Caleb N. Bowe, calculated as \$100 per business day from May 2 to May 16.
- 3 On June 30, 2016, Caleb N. Bowe responded to the Commission's penalty assessment, admitting the violations and requesting mitigation based on the written information provided. The Company explained that its address has changed in the last 12 months because the owner had a baby and his family relocated. The Company provided assurances of future compliance.
- 4 On July 12, 2016, Commission staff (Staff) filed a response recommending a penalty reduction to \$25 per day, or \$250, because the Company has no prior violations of WAC 480-30-071.

DISCUSSION

- 5 WAC 480-30-071 requires charter and excursion carriers to file annual reports by May 1 of each year, or the first business day thereafter. Companies are responsible for complying with their legal obligations, and the Company should have ensured its report was timely filed.

6 The Commission nevertheless agrees with Staff's recommendation. The Commission may consider a number of factors when entertaining a request for mitigation, including whether the violation was promptly corrected, a company's history of compliance, and the likelihood the violation will recur.¹ Here, Caleb N. Bowe has since corrected the violation by filing its annual report and paying its regulatory fee. In addition, this is the Company's first violation of WAC 480-30-071 since it became regulated in 2014. Although the Company has a relatively brief history of compliance, we have routinely granted mitigation for first time violations. In light of these factors, the Commission will exercise its discretion to reduce the penalty to \$250.

THE COMMISSION ORDERS:
