Re: TV-170935 – Issuing Permanent Household Goods Permit HG067888

Dear CY Moving Inc.:

On August 31, 2017, CY Moving Inc. filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On September 26, 2017, the Commission approved the application in part and granted CY Moving Inc. temporary authority to provide those services.

The Commission has determined that CY Moving Inc. qualifies for permanent household goods carrier authority and approves the application in full. Permit HG067888 issued in the name of CY Moving Inc. is enclosed, and the company may now operate on a permanent basis.

CY Moving Inc. must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
