In Docket TR-171027, the Commission approved replacement of incandescent lights with LED lights at USDOT 101842C by Order 01, effective October 19, 2107. The Order, in §12(3) states:
Petitioner must notify the Commission Staff within 30 days upon completion of this project.

WSDOT did not inform the Commission of completion of the project. However, a review of Commission records shows that incandescent lights have been replaced with LED lights, in compliance with Order 01 in TR-171027.
