RE: Request for forbearance from rate and service regulation and exemption of rules

To the Washington utilities and transportation commission

I am applying for authority to provide express auto transportation services and I believe the service falls under the criteria for an exemption/forbearance from service regulation pursuant to RCW81.68.015 auto transportation companies. Our service is solely for recreation, and would not adversely affect the operations of a regulated auto transportation company. Further, the service we are offering is in the public's interest.

Passenger service between Friday Harbor and Roche Harbor in San Juan County.

Each stop or destination in the service is for recreational purpose.

Because I am requesting forbearance from rate and service regulation, I am also requesting an exemption from the following rules:

WAC480-30-096 (3), (c), (assets and liabilities), (d) (tariffs and time schedules), (f) (ridership and revenue forecasts), and (g) (projected balance sheet and income statement).

I understand that if forbearance from rate and service regulation is approved for these services, I will receive charter and excursion authority which fall under the requirements of RCW81.70 (passenger charter and excursion carriers).

Thank you for your consideration of our request for forbearance from rate and service regulation.

Sincerely,

Carl Hassell
