West Waste & Recycling, Inc. has filed a request with the Washington Utilities & Transportation Commission (UTC) to adjust rates effective February 1, 2019. This request was filed due to increases in disposal fees and operating expenses since our last rate adjustment, including but not limited to wages, postage, fuel, insurance and other operating costs. Our last general rate case was 2008. These rates are subject to approval by the UTC. They will conduct a UTC staff investigation, review the proposal and may approve, deny, or set rates different from those shown:

Monthly rates:	Current:	Proposed:
Mini-can-weekly	13.47	15.07
1 can-weekly	16.39	18.34
2 can weekly	24.92	27.89
1 can every other week	9.07	10.15
2 can every other week	12.78	14.30
1 can monthly	5.78	6.47
Extras	4.24	4.74
1 can on call	5.78	6.47

These rates do not include applicable local and state taxes. The proposed rate increases range from 0% to 11.9% and not all residential services are listed above. If you have any questions about the proposed increase or service options, please contact West Waste & Recycling, Inc. at 360-374-5020, or 272 LaPush Rd. Forks, WA 98311.

The commission has the authority to set final rates that may be either lower or higher from the company's request, depending on the results of its investigation. Commission staff will make a recommendation to commissioners at an open meeting in Olympia, which is scheduled for 9:30 a.m. on January 31, 2019.
