RE: Commission Staff's Letter Confirming Compliance
DG-190370 – Bodine Construction – Investigation #7966

Dear Mr. Johnson,

Commission staff (staff) has reviewed the compliance order for Bodine Construction (Company) dated June 18, 2019. Compliance with the order required the following items be met:

- \$2,000 penalty for two violations of RCW 19.122.030(2), with the opportunity to suspend, and ultimately waive, \$1,500 of the penalty amount if owner and field supervisors of the Company attend Dig Safe Training within 12 months of the penalty assessment, and incur no additional dig law violations within 12 months.

On July 1, 2019, the Company notified the Commission of its acceptance of the conditions, and made a payment of \$500. On November 26, 2019, the required Company employees completed Dig Safe training. The Company has not incurred any additional violations of the dig law since the penalty assessment.

Staff believes that Bodine Construction has fully complied with the Commission's order, and further compliance under this order is no longer necessary. Staff recommends the Commission waive the suspended \$1,500 penalty amount and close this docket.

Sincerely,
