RE: Notice of Intent to Send to Collections, Penalty Assessment D-190597

Dear Sir or Madam:

As you are aware, on August 7, 2019, the Washington Utilities and Transportation Commission issued a Penalty Assessment against DL Concrete, LLC in the amount of \$4,000 for violation of RCW 19.122.030(2) for failing to request a dig ticket prior to excavating. The Commission sent you a Final Notice dated September 25, 2019, indicating that the balance of \$4,000 was due by August 20, 2019.

To date, the Commission has not received payment of the balance due.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$4,000 balance.

If you have any questions about this letter or about your obligations under Commission rules, you may contact Brooke Tschida at (360) 664-1349.

Very truly yours,

SALLY BROWN
Senior Assistant Attorney General
