**Re: Service Area Expansion – West Richland Keene Road Corridor Expansion  
UG-190662-Supplemental**

Dear Mr. Johnson:

After consultation with Washington Utilities and Transportation Commission (“WUTC”) Staff, Cascade Natural Gas Corporation, herein referred to as Cascade, hereby submits the following supplemental information to amend its Certificate of Public Convenience and Necessity to Operate a Gas Plant for Hire in the West Richland Keene Road area located in Benton County, Washington.

Enclosed is the following additional information:

Supplemental Confidential Exhibit A1 – Project cost estimate to support the feasibility worksheet previously submitted for Creer Duplex;

Supplemental Confidential Exhibit A2 – Project cost estimate to support the feasibility worksheet previously submitted for Creer Apartments;

Supplemental Confidential Exhibit A3 – Project cost estimate to support the feasibility worksheet previously submitted for AHO 120;

Supplemental Confidential Exhibit A4 – Project cost estimate to support the feasibility worksheet previously submitted for AHO 106; and

Supplemental Confidential Exhibit A5 – Project cost estimate to support the feasibility worksheet previously submitted for Heights at Red Mountain.

*In the Community to Serve®*

Exhibits A1 thru A5 are confidential per WAC 480-07-160, because the information contained on them, if released to the public, could adversely affect Cascade's future dealings with other customers.

Previously submitted on August 12, 2019 as Exhibit B1 was a map of the current and proposed service territory. The Company would like to provide the additional information that the current service territory is shown in blue on this map and the proposed service territory is shown in light brown.

Supplemental Exhibit B2 is a legal description which was previously included in the cover letter of the original application.

Finally, please also find enclosed an update to the Company's Appendix A-12 certificated service territory to incorporate the proposed service territory. For your convenience, Cascade has also enclosed a map titled Appendix A-12 Map which shows the proposed service area incorporated into the existing Appendix A-12 area.

Cascade personnel are available to provide additional information regarding this application. If there are any additional questions or comments, please contact Michael Parvinen at 509-734-4593.

Sincerely,

*/s/ Michael Parvinen*
