On May 31, 2019, Cascade Natural Gas (“Cascade”) filed its annual filing to update the cost recovery mechanism with the Washington Utilities and Transportation Commission. On September 13, 2019, Cascade filed rate revisions to its purchased gas, conservation, and decoupling adjustments. Also on September 13, Cascade made filings regarding true-ups for impacts related the Federal income taxes. The proposed changes will affect all of Cascade’s Washington customers. Cascade serves approximately 190,130 residential, 26,357 commercial, and 477 industrial customers in the state of Washington.

In accordance with WAC 480-90-198, Notice Verification and Assistance, Cascade is providing the following statements: 1) it posted the above referenced filings by posting on Cascade’s website at www.cngc.com, and 2) it provided public notice in the form of a published notice in the beginning of September, which is more than 30 days of the requested effective date of November 1, 2019, in accordance with WAC 480-90-194. Cascade also provided a copy of the notice to news editors of area newspapers within Cascade’s territory.
