Re: Docket US-190896; Registration of North Creek Presbyterian Church as a Community Solar Company

Dear Minni Dimmick:

Effective November 12, 2019, the Washington Utilities and Transportation Commission (Commission) grants the application of North Creek Presbyterian Church in Docket US-190896 for registration as a community solar company. This letter is evidence that North Creek Presbyterian Church is a registered community solar company in the state of Washington. As a registered community solar company, North Creek Presbyterian Church must comply with the statutes and rules governing community solar companies, including but not limited to the rules in WAC 480-103-001 through WAC 480-103-999.

In accordance with WAC 480-103-020(4) and WAC 480-103-030, North Creek Presbyterian Church, must submit to the Commission a complete annual report form, along with an application to renew the company's registration if it continues to seek to operate as a community solar company, and pay the renewal application fee and regulatory fees no later than May 1 of each year.

Sincerely,

A handwritten signature in blue ink, appearing to read "Suzanne Stillwell".

**NOTICE:** Pursuant to WAC 480-07-905 and Order 01 in Docket A-180762, the Commission has delegated authority to the Secretary to make a decision in this matter and to issue this letter documenting that decision. In addition to serving you a copy of this letter, the Commission will post on its Internet website for at least fourteen (14) days a listing of all matters the Commission has delegated to the Secretary for decision. Any person who wishes to seek Commission review of this decision must file a request for review no later than fourteen (14) days after the date the Commission posts the decision on its website. The Commission will consider the request using the same process applicable to commission review of initial orders set forth in WAC 480-07-825.
