

Statement of Drug and Alcohol Testing Services Provided by Drug Free Business through ArcPoint Labs of Seattle Consortium Program

Retain this document in your drug and alcohol testing records.

This certifies that: Seattle Topclass Limo

is a current member of Drug Free Business and has been receiving DOT drug and alcohol testing services since OCT 22nd 2019

Drug Free Business is a Washington not-for-profit 501(c)(3) corporation providing drug and alcohol testing services for our members that must comply with Federal and Department of Transportation procedures for transportation workplace drug and alcohol testing programs, 49 CFR 40, et. al. and other state requirements and programs. Drug Free Business is located at 18912 Northcreek Parkway, #202, Bothell, WA 98011, telephone: 425-488-9755.

Drug testing pursuant to Department of Transportation regulations is performed by Quest Diagnostics Laboratory, Laboratory Corporation of America Holdings (LabCorp) and Pathology Associates Medical Laboratories.

Medical Review Officer (MRO) services are performed by: Dr. Dee J. McGonigle, Drug Free Business, Medical Review Officer Services, 18912 Northcreek Parkway, #202, Bothell, WA 98011, telephone 866-448-0651.

Drug Free Business uses a computer software program to fulfill drug and alcohol testing requirements specified by the Department of Transportation. This program will automatically calculate the number of random drug and alcohol tests your company must perform to meet the minimum requirements.

Sincerely,

Robi Bolton
Director MRO Services
