Re: UG-200683 - Advice No. W20-07-01, Schedule 500, Tax Schedule

Dear Mr. Johnson:

Cascade Natural Gas Corporation (Cascade or the Company) files the following substitute revision to its Tariff, WN U-3, stated to become effective with service on and after August 31, 2020:

Substitute Seventy-Ninth Revision Sheet No. 500

On July 27, 2020, Cascade filed to revise the city tax for Burlington from 3.0 percent to 6.0 percent starting August 31, 2020. The City adopted this change in Ordinance No. 1890 which will result in each customer in Burlington experiencing a 3 percent increase in their monthly bills.

After consultation with WUTC Staff, it was determined that Cascade inadvertently forgot to include the gross income percentage on 6 percent. The new amount, including the gross income percentage, should be 6.383 percent.

The following files are electronically submitted as part of this filing:

1. [UG-200683 CNGC, Sch 500, City Tax, Clean, 8.19.20.pdf](#) – This is the clean version of proposed tariff sheet, Seventy-Ninth Revision Sheet No. 500.
2. [UG-200683 CNGC, Sch 500, City Tax, Legislative, 8.19.20.pdf](#) – This is the legislative version of Sheet 500, wherein proposed revisions are in redlined, strike-out text.

If you have any questions regarding this filing, please contact Michael Parvinen at (509)-734-4593.

Sincerely,

/s/ Michael Parvinen
