

1600 127th Avenue, Bellevue, WA 98005

Dear Residential Customer,

April 26, 2021

This is to notify you of a proposed rate change for residential customers in the Eastside Disposal / Republic Services of Bellevue areas of King County. Should the Washington Utilities and Transportation Commission (Commission) approve our request customers will experience adjustments to all services provided by Eastside Disposal as outlined below.

As you may know, it has been more than a year since our last general rate case. In that time Eastside Disposal has experienced increases in costs that are key to delivering our services, including labor, fuel, and recycling processing costs. If approved, the proposed rates will become effective June 1, 2021.

The proposed rate increases for our residential services range from 6% to 12% and not all residential services are listed above. Most customers will likely experience increases of about 6% to 11%.
