ERRATUM TO PENALTY ASSESSMENT NOTICE

Re: *In the Matter of the Penalty Assessment Against Avista Corporation in the Amount of \$5,000*, Docket D-210635

TO ALL PARTIES:

On September 23, 2021, the Washington Utilities and Transportation Commission (Commission) issued a Penalty Assessment in the Amount of \$5,000 Against Avista Corporation for Violation of RCW 199.122.030(4)(a) (Penalty Assessment) in this docket. It has come to the Commission's attention that the Penalty Assessment contained an error, which it corrects here.

In paragraph three, the Penalty Assessment refers to Washington State Dig Law Safety Committee (Safety Committee) case no. 20-047. The correct case number is 21-024. Paragraph three of the Penalty Assessment is corrected as follows:

On August 11, 2021, the Safety Committee heard case 21-024 against Avista and determined the Company violated RCW 19.122.030(4)(a) by failing to provide the excavator with information by marking the location of its locatable underground facilities. The Safety Committee recommended that the Commission impose a \$5,000 penalty.
