Re: Docket Nos. UE-210826 and UG-210827 – Avista Utilities 2022-2023 Biennial Conservation Plan Replacement Pages

Dear Ms. Maxwell:

On November 1, 2021, Avista Utilities (Avista or the Company) filed its 2022-2023 Biennial Conservation Plan (BCP or Plan). Since that time, it has been brought to the Company's attention that the Washington Two-Year Planning Summary, Appendix A to the Plan,¹ included incorrect calculations for the combined electric and gas budgets contained within the table. As such, the Company hereby submits replacement pages for Appendix A. These changes have no impact on the remainder of the Plan, as the errors were exclusive to only this table.

If you have any questions regarding this filing, please contact Ryan Finesilver, Planning and Implementation Manager, Energy Efficiency, at (509) 495-4973.

Sincerely,

/s/ Shawn Bonfield
