Lacey, Washington 98503

**Re: UG-210972 – Schedule U – Smart Energy™ Program – Renewable Natural Gas Option – Revised Tariff Sheets – DO NOT REDOCKET**

On December 21, 2021, Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), filed revisions to its Tariff WN U-6, stated to become effective February 25, 2022, to implement a voluntary renewable natural gas (RNG) service in compliance with RCW 80.28.390 and consistent with the Commission's UG-190818 Report and Policy Statement on Investigation of Renewable Natural Gas Programmatic Design and Pipeline Safety Standards.

After discussion with Commission Staff, to facilitate discussion with stakeholders, NW Natural submits the enclosed tariff pages to change the requested effective date to March 11, 2022. These tariff pages replace those filed on December 21, 2021, in their entirety.

In accordance with WAC 480-90-193 and WAC 480-90-195(3), copies of this letter and the attached filing are available in the Company's main office in Portland, Oregon, and on its website at [www.nwnatural.com](http://www.nwnatural.com).

As requested by WAC 480-80-103(4)(a) and WAC 480-80-104(8), I certify that I have authority to issue tariff revisions on behalf of NW Natural.

Please address correspondence on this matter to me with copies to the following:
