Dear Mr. Killip:

On April 3, 2023, A & G Brothers General Construction was issued a \$1,000 penalty for a violation of RCW 19.122.055(1)(a). A & G Brothers General Construction was provided the opportunity to suspend an \$800 portion of the penalty amount and ultimately waived on the following conditions:

- A & G Brothers General Construction employees attend Dig Safe training provided through the National Utility Contractors Association (NUCA) within 12 months of the date of the penalty assessment; and
- Submit documentation of attendance of Dig Safe training within 5 days of attendance; and
- Commit no further violations of RCW 19.122 within the 12 months following the penalty assessment.

On April 14, 2023, the Commission received notification from A & G Brothers General Construction that the company admitted the violation occurred and accepted the Commission's offer to suspend the penalty amount based on the stated conditions. The Commission received the required documentation of attendance of training on August 9, 2024, and a payment of \$200 was made on April 21, 2023. A & G Brothers General Construction has had no further violations of RCW 19.122.

Respect. Professionalism. Integrity. Accountability.

A & G Brothers General Construction
