RE: UE-230423 - Avista Utilities Tariff WN U-28, Schedule 70, Rules and Regulations

Dear Ms. Maxwell:

On June 1, 2023, Avista Corporation, dba Avista Utilities (Avista or the Company), filed with the Washington Utilities and Transportation Commission (Commission) proposed modifications to its tariff Schedule 70. On June 21, 2023, the Company updated this filing to extend the effective date of the proposed tariff modifications to July 17, 2023 to allow more time for Commission Staff to review the requested modifications. As a result of this review, it has been brought to the Company's attention that certain verbiage contained within the proposed tariff sheets were redundant or did not fully meet the specificity of the intended WAC. Avista has corrected and/or clarified this language and is hereby substituting sheets 70-N and 70-AB.

If you have any questions regarding this filing, please contact me at (509) 495-2782 or shawn.bonfield@avistacorp.com.

Sincerely,

/s/ Shawn Bonfield
