The last general rate increase was effective June 1, 2023. Since that time, the Company has invested in additional front-line garbage trucks to ensure it can deliver the safest, most efficient, and reliable service possible. If approved, the proposed rates will become effective on February 1, 2024.

The proposed rate increase for our residential services is approximately 6.0%. Only the most offered services are listed above. If you have questions about the proposed rate increase, you may contact the company at (509) 547-2476.

The Commission has the authority to set final rates that may be either lower or higher than the company's request, depending on the results of its investigation. You can comment on the case by using the "Submit a Comment" feature at the Commission's Web site at www.utc.wa.gov or by using the contact information below.
