**RE: UT-250721 WA Number Waiver/Seattle Rate Center**

Dear Mr. Killip:

Teleport Communications America, LLC (TCAL), OCN 7146, requested a waiver on September 18, 2025 of the utilization requirements outlined in FCC's Numbering Resource Optimization Orders, FCC 00-429 and FCC 01-362 released in CC Docket No 99-200, which would allow the Pooling Administrator (PA)/NANPA to assign 10 thousand blocks to meet the needs of a specific customer.

Attached is a revised letter adding NPA 564 as an acceptable NPA for the additional blocks that may be assigned.

TCAL respectfully requests that the Commission approve the request for a waiver of months to exhaust and rate center utilization requirements and direct PA/NANPA to accommodate our customer's request.

All directives can be emailed directly to:  
NANPA Inc- PA Code Administrator  
Phone 866-623-2282  
Email: [support@nanpa.com](mailto:support@nanpa.com)

Thank you for your attention to this matter. Should you have any questions or concerns about this request please contact me at 512-457-2260.

Sincerely,

A handwritten signature in cursive script that reads "Javier Rodriguez".
