COMES NOW THE PETITIONER, DIECA Communications, Inc., dba Covad Communications Company ("Covad"), and respectfully requests that this Commission grant its Motion to Revise Covad's Petition for Arbitration as follows:

Covad filed its Petition for Arbitration in this docket on May 25, 2004. The caption on the first page contains an incorrect entity name, DIECA Communications, Inc., d/b/a Covad Communications Company. Paragraph A, under Petitioner's full name and its official business address also contains the identical incorrect entity name. See Exhibit A. The correct entity name for Petitioner is Covad Communications Company.

Petitioner respectfully requests that the Commission allow it to revise the first page of the Petition for Arbitration to reflect the correct entity name for Petitioner in the State of Washington, i.e., "Covad Communications Company" and not "DIECA Communications Inc., dba Covad Communications Company." Petitioner is also requesting that Page 1 of the Petition for Arbitration be revised as reflected in Exhibit B, attached hereto. Finally, Petitioner requests that Page 1 of Exhibit A of the original Petition be changed to reflect the correct entity name as well. See Exhibit C. No other changes are requested. Respondent, Qwest Corporation does not oppose the Motion and will not in any way be harmed by the revised Petition as requested.

Respectfully submitted, this 13th day of September, 2004.
