Dear UTC,

I first would like to apologize for not communicating with your department. 2020 was by far the worse year in my life. I thought it would be great but life happened.

I ended up traveling the country with my wife and 3 kids. We were NOT able to check our mail for 7 months. While on this trip my wife went through a miscarriage and the mood changed. We ended up stopping our trip. I flew my wife and kids back to Washington State. I drove the travel trailer back to Washington State. While on my way back my wife called letting me know she wants a divorce and that she got herself and the kids their own house.

So i came back to nothing.
My life was turned upside down for the worse.

I'm filing the motion to vacant the default order. Requesting to open the reseeded for further process.
I'm so sorry for not showing up these proceedings. I was completely unaware of the hearings.
