New feature allows you to print your reseller permit

Misplaced your reseller permit? No worries. The Department has simplified the process for businesses to view or print their reseller permit, which allows approved retailers and wholesalers to purchase items for resale without paying sales tax.

You can now access your reseller permit through "My Account." Simply log into "My Account" under "Manage Account," click on "Apply/view status of Reseller Permit" to access a copy of your reseller permit.

Prior to adding this feature, a business needing its reseller permit had to contact the Department and ask for a reprint to be mailed.

50% penalty – misuse of reseller permits

If your business has a reseller permit, you may only use it to purchase items for resale. Do not use it for personal or household items, promotional gifts or materials and contract labor for speculative construction. Your business must make sure that either sales or use tax is paid on all consumable purchases. The Department routinely verifies proper use of reseller permits; misuse of a reseller permit could result in a 50% penalty on the underpayment or a possible revocation of the permit. For more information, visit dor.wa.gov/resellerpermit.

Keep your email address current

We send important messages to you through the secure messaging system in My Account—including time sensitive notices such as assessments, tax rate changes and delinquency notices. The secure system then sends you an email, letting you know you have a message.

The benefits of E-file

- Available anytime, anywhere you have internet access.
- Fill in the numbers and let E-file do the math.
- More accurate than paper, with current rates and error checking.
- Fast, secure and customizable—show only the lines you need to report.
