RE: 2007 Qualifying Storm Events

(Submitted via the Washington Utilities and Transportation Commission's Records Center
Web Portal electronic-filing system and by overnight mail)

Dear Ms. Washburn:

Pursuant to paragraph No. 246 of Final Order No. 6, Docket Nos. UG-040640 et al, Puget Sound Energy, Inc. ("PSE") provides herewith a detailed report for a qualifying storm event which occurred on January 5, 2007.

The attached document summarizes PSE's formal response to, and costs incurred as a result of repairing storm damage to PSE's electric system on January 5, 2007. This report is submitted for informational purposes only, as the resulting O&M expenses for this qualifying event remain below the threshold for deferral treatment. This is the second Qualifying Storm Events report for 2007.

If you have any questions regarding the information in this filing, please contact Mark Wesolowski at (425) 462-3962. Any other questions may be directed to me at (425) 456-2797.

Very truly yours,

Karl R. Karzmar
Director, Regulatory Relations
