**Re: Low Income Program Outcome Compliance Filing  
Dockets UE-011570 & UG-011571 (consolidated) – Filed Electronically**

Dear Mr. Johnson:

The purpose of this filing is to comply with the Commission’s Twelfth Supplemental Order: Rejecting Tariff Filing; Approving and Adopting Settlement Stipulation Subject to Modifications, Clarifications, and Conditions; Authorizing and Requiring Compliance Filing in consolidated Dockets UE-011570 and UG-011571 (“Twelfth Supplemental Order”). Puget Sound Energy (“PSE”) provides the electronic version of the report that describes the outcome of PSE’s low income bill assistance program, the Home Energy Lifeline Program (“HELP”), for the 2017 program year (the 12-month period October 2017 through September 2018).

PSE first implemented the HELP in accordance with the terms outlined in Exhibit G to Settlement Stipulation Agreement in Twelfth Supplemental Order dated June 20, 2002. Program details and funding level have since been modified in Dockets UE-060266 and UG-060267 (consolidated), UE-072300 and UG-072301 (consolidated), UE-090704 and UG-090705 (consolidated), UE-111048 and UG-111049 (consolidated), and the dockets for PSE’s Expedited Rate Filing and Decoupling mechanisms<sup>1</sup>. The funding for the 2017 HELP year also reflected the rate changes in PSE’s Decoupling rate filings that became effective May 1, 2017 under UE-170227 and UG-170228.

This annual report meets the Commission’s requirements by providing the following HELP information: the number of participants, the total amount of assistance paid, and the average level of assistance per household.
