Dear Mr. Johnson,

Enclosed for filing with the Commission are the original and 3 copies of the Full Settlement Stipulation and Joint Motion in the above referenced Dockets. The Company and Parties to the case will be filing testimony in support of the Full Settlement Stipulation on February 15, 2019. By way of the Joint Motion, the Parties further request that the prefiled testimony be received into evidence and considered as the basis for the Commissioner's decision, without the need for further evidentiary hearings, unless so ordered by the Commission. This request can be addressed during the prehearing conference scheduled for Wednesday, February 13, 2019.
