NOTICE OF ERRATA TO ORDER 02

Re: *In the Matter of the Petition of PacifiCorp d/b/a Pacific Power & Light Company for an Order Approving Proposed Request for Proposals,*
Docket UE-210979

TO ALL PARTIES:

On March 11, 2022, the Washington Utilities and Transportation Commission (Commission) issued Order 02 Approving Proposed Request for Proposals Subject to Conditions (Order 02). In paragraphs 14 and 22, Order 02 incorrectly states that the Company must revise the Request for Proposals (RFP) to extend the required commercial operation date from December 21, 2026, to December 21, 2027. The correct period is December 31, 2026, to December 31, 2027.

The Commission hereby corrects the first bullet point in paragraph 14 to read as follows:

- Revise the RFP to extend the required commercial operation date from December 31, 2026, to December 31, 2027.

The Commission hereby further corrects the first bullet point in paragraph 22 to read as follows:

- The Company must revise the RFP to extend the required commercial operation date from December 31, 2026, to December 31, 2027.
