Re: *Washington Utilities and Transportation Commission v. Avista Corporation d/b/a Avista Utilities*, Dockets UE-220053, UG-220054, and UE-210854 (*Consolidated*)

Dear Director Maxwell:

Enclosed for filing in the above-referenced Dockets are a replacement to the Confidential PDF proposed exhibit (5) for Mark T. Theis and Certificate of Service. Public Counsel has identified a clerical error in the Confidential PDF version of the proposed exhibit labeled: (5) Exh. MTT-\_\_CX Confidential Pension and OPEB Assumptions. The second tab listed in the native Excel file was inadvertently left off the confidential PDF when served onto parties on September 14, 2022. The highlighting in the PDF version of the second tab has also been updated to conform to the Commission's rules regarding the marking of confidential exhibits. None of these changes alter the underlying data originally provided in the native Excel file. To keep a clean record, please find the replacement document enclosed with this filing.

Please do not hesitate to contact me if you have any questions.

Sincerely,

/s/
