RE: *Regulatory Compliance with Final Order 02,*
Dockets UE-240461

TO ALL PARTIES:

On January 29, 2025, PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp or Company) submitted revised tariff sheets and supporting workbooks for Schedule 97, Power Cost Adjustment Mechanism Adjustment and for Schedule 99, Production Tax Credit Tracker Adjustment. This compliance filing was made in response to Final Order 02 issued on January 28, 2025, by the Washington Utilities and Transportation Commission (Commission) in this docket, accepting the multiparty settlement agreement without condition.

On January 30, 2025, Commission staff (Staff) filed a letter in this docket attesting to the completeness of Pacific Power's compliance with this element of Final Order 02 and recommended that the tariff revisions should become effective on February 1, 2025. Staff's letter indicates that these schedules reflect a 20.6 percent increase in Schedule 97 and a 0.3 percent increase in Schedule 99. Additionally, the revised tariff sheets properly reflect the reduction of \$1.7 million in net recovery resulting from Commission determinations, and satisfies the other terms of the settlement agreement.

The Commission agrees with Staff's position that PacifiCorp's compliance filing complies with Final Order 02 as it relates to filing revised tariff sheets and calculation workbooks. Further, the Commission agrees with Staff's recommendation that the tariff revisions should become effective on February 1, 2025.
