SMACNA DATA REQUEST NO. 006

SMACNA DATA REQUEST NO. 006:

RE: Other Lease Programs

Is PSE aware of any utility other than an investor-owned utility with a current or past program to lease appliances similar to the program PSE is proposing? If so,

- a. Please identify such program and provide by copy or by internet link information about that program; and
- b. State whether that program served as a model, in whole or in part, for the PSE proposed program.

Response:

Please reference Puget Sound Energy's ("PSE") response to SMACNA Data Request No. 005 and Attachment A, where the above information was provided.
