Name: Caryl Utigard Phone: 206 439 9747

Address: 2447 SW 170<sup>th</sup> St Berrien

Comment: Do NOT build the LNG in Tacoma.

Those funds go up the sound to heavily populated areas. This is to be located on an earthquake fault. Don't spend new \$ on a non renewable fuel source!

Comment: Make the right move for the future

of us all - invest in renewables.

What are profits when the world

is ash and bone?
