RE: *Washington Utilities and Transportation Commission v. Cascade Natural Gas Corporation*, Docket UG-170929

TO ALL PARTIES:

On August 31, 2017, Cascade Natural Gas Corporation (Cascade or Company) filed with the Washington Utilities and Transportation Commission (Commission) revisions to its currently effective Tariff WN U-3 for natural gas service the Company provides in Washington.

On July 20, 2018, the Commission issued Order 06 Final Order Rejecting Tariff Sheets; Resolving Contested Issue; Approving and Adopting Settlement Agreement; and Authorizing and Requiring Compliance Filing (Order 06). Order 06, among other things, required Cascade to file a status report with the Commission in this docket regarding the Company's Washington Energy Assistance Fund (WEAF) program by August 15, 2018.

On August 13, 2018, Cascade filed with the Commission its WEAFF status report, and on August 23, 2018, Commission staff (Staff) filed a letter stating that it had reviewed the report and believes that it complies with the filing required by Order 06.

The Commission has reviewed the report and acknowledges that it complies with the WEAFF status report filing requirement in Order 06.
