**NOTICE SHORTENING TIME FOR RESPONSE TO MOTION FOR
EXTENSION OF TIME
(Due November 9, 2005)**

*Re: In the Matter of the Joint Application of MidAmerican Energy Holdings
Company and PacifiCorp, d/b/a Pacific Power & Light Company,
Docket No. UE-051090*

TO ALL PARTIES:

On November 7, 2005, the Industrial Customers of Northwest Utilities, a party to this proceeding, filed a motion requesting a one week extension of the current deadline for the filing of the organization's response case. The current deadline is November 14, 2005. ICNU states that an extension of time until November 21, 2005, is necessary to allow time for ICNU to complete its testimony in this proceeding, and similar proceedings now pending before the Oregon Public Utility Commission. ICNU states that it does not request the change in any other procedural date, but does not object to a one week extension of the date for the joint petitioners to file their rebuttal testimony, currently due on November 28, 2005. ICNU does not propose to change the scheduled hearing dates, December 19-22, 2005.

Given the short time remaining between today and November 14, 2005, it is necessary to shorten the time for any responses to ICNU's motion. The brevity of the motion and its straightforward request do not require lengthy consideration or extensive response. The Commission will require any responses to be filed electronically by 4:30 p.m. on November 9, 2005, followed by paper copy to be delivered to the Commission on November 10, 2005.

THE COMMISSION GIVE NOTICE That any responses to ICNU's Motion for Extension of Time for the filing of response testimony, to November 21, 2005, must be received by the Commission by 4:30 p.m. on November 9, 2005, via attachment to electronic mail directed to the Commission's Records Center and to the undersigned presiding Administrative Law Judge.

Sincerely,

DENNIS J. MOSS
Administrative Law Judge
