

[Service Date January 7, 2009]

January 7, 2009

**NOTICE OF REVISED DATE TO NOTIFY THE COMMISSION
OF WHETHER TO PROCEED TO HEARING
(Changed from January 20, 2009, to January 27, 2009)**

RE: *In the Matter of the Petition for Arbitration of an Interconnection Agreement Between Comcast Phone of Washington, LLC and Lewis River Telephone Company, d/b/a TDS Telecom, Pursuant to 47 U.S.C. Section 252(b), Docket UT-083055*

TO ALL PARTIES:

On December 26, 2008, the Washington Utilities and Transportation Commission (Commission) entered Order 04, Order Granting Motion to Extend Schedule, Notice of Rescheduled Hearing, identifying January 20, 2009, as the deadline for the parties to notify the Commission whether a hearing is necessary.

On January 5, 2009, the parties requested an extension of time to determine whether this matter will proceed to hearing or will be addressed through motions for summary determination.

According to WAC 480-07-385(2), the Commission will grant a timely request to which all parties expressly agree unless it is inconsistent with the public interest or the Commission's administrative needs. The parties' joint request is timely and allowing the parties additional time to determine whether there is a need for hearing is consistent with the public interest and the Commission's administrative needs in this matter.

NOTICE IS GIVEN That the request to extend the date to determine whether a hearing is necessary from January 20, 2009, to January 27, 2009, is granted.

Sincerely,

ANN E. RENDAHL
Administrative Law Judge
