Revised Graham Extension
Application

Dear Mr. Curl:

Enclosed is an original and one copy of our application for Certifications of Public Convenience and Necessity, dated today together with our check for \$50.00 to cover the fee. This application is to extend our certificated area to serve customers in Pierce County. The area requested is continuous to our existing service area and could be appended to A-4. This replaces a previous request made in June 1990 for a similar area. We hereby ask that the previous request be withdrawn.

If any information in addition to that set forth in the enclosed application is desired it will be furnished to you upon request.

Sincerely,

A. H. Olson
Chief Engineer
